Arava Border – Petra (Visit) – Arava Border

Arrival Arava Border Meet & Assist by our guide. Then drive direct to Petra to visit. We will start our journey to explore Petra, aptly described as the "rose-red city, half as old as time". The ancient city was founded by the Nabateans 2000 years ago. Its massive architectural structure and its multicolored stones are an incredible attraction. The visit of the ancient Nabatean capital starts on horseback, followed by a walk through the Siq, a long narrow fissure between two overhanging cliffs. Towards the end of the Siq, you will be spellbound by Petra's most famous monument; the Treasury. The tour then proceeds to gradually unfold the mysteries of the city. Then rest at local restaurant in Petra for Lunch. Then Back to Arava Border for Departure.
